

Dear Nu-South Builders,

Thank you so much for building an awesome house! My favorite part about it is the "teen suite." It's so cool! I really hope we get the house! Thanks again!

← Hi, my name is Bennett and I love that yellow house. My favorite part is the playroom area on the top floor. The house is like my dreamhome and I want to live there.

Hi, my name is Sutton and I LOVE the yellow house that you built, it's awesome! It would be so cool if I got to live there. It would be the best house I ever had if we bought it. And again, thanks for building it!!!
